Appointments

Please call 9488 8849

Online bookings are available 24/7

If you require an urgent appointment or have a sick child, please advise the reception staff who will organise a same day appointment.

Standard medical appointments are 15 minutes for one issue and 30 minutes for multiple issues and standard dental appointments are 30 minutes.

Please inform reception if you require a longer appointment. This may be necessary if you have a list of issues, have forms that need to be completed or require a minor surgical procedure.

In Emergency

For emergencies dial "000" immediately.

Poisons information 131 126.

Priority will be given to patients requiring urgent medical attention.

Billing

Fees and charges are clearly displayed at the reception desk.

With a current Medicare card - All pensioners and children under 16 years of age are bulk-billed for medical services Monday - Friday

* Standard consultation - \$80.00

* Long consultation - \$150 * Extra Long \$190

Dental service costs vary and are patient specific. Please make an appointment to obtain a quote.

Prescriptions & Referrals

It is in your best interest for medications and specialists reviews to be discussed as part of the consultation process. Please ensure an appointment has been booked prior to your repeat prescription expiring or specialist appointment.

Test Results

Discussion of test results is best done at a follow-up appointment with your GP. The doctor will make this arrangement with you at the time of your consultation. It is not possible for reception staff to give patients test results over the telephone.

Telephone Access

Doctors are available in medical emergencies to take telephone calls. Patients can, however request a call-back within 48 hours for non-urgent matters.

Privacy Policy

Your medical records are private and confidential, and only available to authorized members of staff. All information at Pymble Medical & Dental Centre is managed in accordance with the National Privacy Principles of the Privacy Act, available at www.privacy.gov.au/health/

Reminder System

Our practice offers enrolment in a computer based reminder system for reviews of PAP tests, diabetes, blood pressure, cholesterol, health assessments, vaccinations, skin check-ups and dental appointments. If you do not wish to be part of this system, please advise reception staff. We also participate in the State/Territory Reminder System.

Facilities

Our facilities are state-of-the-art, fresh and modern and we offer full disabled access to all areas as well as free Wi-Fi and baby change facilities.
