Your Privacy & Medical Information

This medical practice collects information from you for the primary purpose of providing quality health care. We require you to provide us with your personal details and full medical history so that we may properly assess, diagnose, treat and be proactive in your health care needs. This means that we will use the information for administrative purposes, billing, disclosure to others involved in your health care; including specialists and other treating doctors outside the practice and disclosure to other doctors in the practice including locums to assist in your medical care. The practice may occasionally be involved in research and quality assurance activities to improve individual and community health and practice management. We wish to assure you that at all times your health information is treated with utmost confidentiality.
I have read and understood the above information regarding my medical information and am aware I can request a full copy of the privacy and collection statement.
